

This Truth I Believe

I'd rather be writing. ♥ Connections make the world go round. ♥ A clean house is a sign that company is coming. ♥ You learn more with your mouth closed than open. ♥ The only wrong way to write is to not write. ♥ Today's sorrow is tomorrow's truth and memoir. ♥ I write because I can't not write. ♥ Weeds are a sign of Mother Nature's opinion of gardens. ♥ I think, therefore I blog. ♥ Peace begins one heart at a time. ♥ My beginner hair was brunette; my real hair is white. ♥ Any lifestory you write is better than writing nothing. ♥ Anyone who claims you must arise at 5 a.m. to write is a control freak. ♥ Our stories create digital, editable layers of reality. ♥ Nothing deepens understanding of parents more than becoming one. ♥ Money may not buy happiness, but it can buy cool toys. ♥ Many of my best friends live in my computer. ♥ A day without e-mail is a day with a broken computer. ♥ The more I read, the better I write. ♥ Some people think I'm crazy when I'm really in my write mind. ♥ The only thing better than reading a great book is writing one. ♥ Grandchildren aren't the only reason to write, but they're the best. ♥ Your writing style is as personal as your fingerprint. Honor it. ♥ Love makes everything possible. ♥
